Founded in 2008, Eau et Vie is a French non-confessional and non-political international solidarity association, inspired by an idea: slum dwellers also deserve and can afford sustainable water supply in their homes.

The levers of action are access to a water service at home, the absence of which is a real scourge in densely populated urban areas, and whose impact is also achieved through community building.

In 2021, Eau et Vie manages several programs in 2 countries (Bangladesh and the Philippines) and has 43,000 beneficiaries, for a global budget of 3.2 M€, with mixed financing (private and public).

Eau et Vie is seeking for a new:
