BIOFORCE IS LOOKING FOR

SUPPLY CHAIN MANAGEMENT TRAINERS BASED IN JORDAN

Date of the offer

25.09.2020

BIOFORCE. EMPOWERING HUMANITARIANS. We believe in a world where the needs of people affected by crises are met by committed professionals providing adapted and high-quality aid. We are a humanitarian organisation that works in the preparation and response to crises relating to conflict, natural catastrophe, and epidemic. We provide solutions to enable vulnerable populations to have access to efficient and high-quality aid through training, accompanying and structuring of humanitarian actors.

BACKGROUND

In Europe, Africa and the Middle East, Bioforce's teams empower humanitarians to work effectively with vulnerable populations by providing training and support solutions. Whether they are the humanitarian workers of today or tomorrow, humanitarian workers who cross borders or those who take action in their country within their community, international or national organisations in crisis zones.

Our response areas :

LEARN training the humanitarian actors of today and tomorrow,

BUILD strengthening the capacities of organisations in crisis-affected zones,

SHARE participating in the evolution of the humanitarian sector.

For Bioforce, it is essential to be present in the Middle East where the most important crises are currently focused. We are committed to training the humanitarian workers of today and tomorrow.

To do so, Bioforce wishes to expand its network of expert consultants.

For more information on Bioforce : <https://www.bioforce.org/>

We are looking for SUPPLY CHAIN MANAGEMENT trainers based in JORDAN with skills and experience in training and capacity building for a short open courses in November 2020 and to be part of our pool of trainers.

REQUIRED AREAS OF EXPERTISE.

Supply Chain Management
