

## **PUBLICATION OF A CALL FOR TENDERS PERSONAL SECURITY TRAINING**

**Publication reference: [FR-PA-RH-202204]**

Publication Date: 23 December 2023

Action Contre la Faim (ACF) was founded in 1979 by a group of French intellectuals in response to the emergency in Afghanistan. While the fight against hunger had previously been an element of more general humanitarian action (the fight against poverty, promoting better health, etc.) they founded an organisation that was exclusively dedicated to ending hunger.

Since 1995, ACF has developed within the framework of an interdependent international network: ACF-International (ACF-IN) and has opened four additional headquarters in Madrid, London, New York and Montreal to better respond to the needs of populations.

ACF intervenes in the following situations:

- In natural or man-made crises which threaten food security or result in famine,
- In situations of social / economic breakdown, linked to internal or external circumstances which place particular groups of people in an extremely vulnerable position,
- In situations where survival depends on humanitarian aid.

ACF is now recognized as one of the leading organizations in the fight against hunger worldwide.

The purpose of this Call for Tenders is to solicit competitive offers from reliable and specialist service providers in order to deliver **personal security practical trainings** (an asset for ACF to enhance security management, field access capacities and risk mitigation):

- HEAT / PFST face-to-face. France or In-country
- HEAT / PFST 'Online Refresher'
- Online HEAT / PFST COVID situation

The training is compulsory for all employees under ACF France's contract (field and HQ) going on a mission in Red and Black contexts.

The objective of the tender is to sign a two-year framework agreement with the selected service provider(s). After this period, this framework agreement may be renewed by amendment for a period of one year, up to a maximum of two renewals.

Bidding documents can be obtained by interested parties from:
