JOB DESCRIPTION

As part of LP4Y Alliance Initiative team, you will:

- Y4CN is an international network of 120 organizations all working for the social and professional inclusion of disadvantaged youth.
- As a member of the Y4CN team, you will support members in their actions, participate in the development of the network and organize collective advocacy actions.
- The missions of the Y4CN project manager are:
- Regular contact with international members
- Organizing webinars or workshops with members and other related organizations
- Publishing support (white book, forum reports, webinars...)
- Organization of forums / networking events to raise awareness in different cities and foster collaboration between members
- Support of Y4CN members representatives

To become a **Project Manager (PM)** for **Youth 4 Change Network** is to advance in network building, stakeholder management, organization, negotiation, facilitation, & so on...

The mission is **to manage the current members of the network, expand the network, and organize various youth inclusion events** to ensure that no youth inclusion promoter organizations are isolated. PMs of Y4CN will not only understand the local context of youth inclusion; it signifies a commitment to going beyond that. Furthermore, PM aim to create a platform for local NGOs, organizational networks, and CSOs to collaborate, facilitate, and coordinate their efforts in promoting YOUTH INCLUSION.
